

Version N° 01 – September 13th 2022

Training session on the morphological identification of
Thysanoptera with special focus on *Thrips palmi* Karny, 1925

Practical information

Montpellier offers a wide range of accommodation solutions, here are just a few proposals. Of course, you can select the option that suits you best, however it is advisable to stay close to tram line 1 (BLUE) to be facilitated to reach the laboratory.

To reach the training location by public transports, take the **tramway line 1 (BLUE)** and stop at "**Occitanie**", then take **bus 26**, direction "Montferrier sur Lez" and get off at "**Cirad de Baillarguet**".

For the public transport timetables, please check the [the tram & bus timetables](#).

Below is some useful information on how to get to the training location from the airport/railway station and back.

If you travel by plane

From Montpellier Méditerranée Airport: take the [Airport Shuttle line 620](#) that stops at Place de l'Europe; take the [tramway line 1 \(BLUE\)](#) and stop at Occitanie, then take [bus 26](#), direction Montferrier sur Lez and get off at Cirad de Baillarguet.

For the timetable of bus 26, please check [the tram & bus timetables](#).

For the **Airport Shuttle** timetable, please check <https://montpellier-airport.com/to-from/by-public-transport-montpellier-airport/>

If you travel by train

In case the train stops at the **Montpellier Saint-Roch** railway station (Gare Saint-Roch), take the tramway line 1 (BLUE) and stop at Occitanie, then take bus 26, direction Montferrier sur Lez and get off at Cirad de Baillarguet.

In case the train stops at the **Montpellier Sud de France** station, a shuttle service from the station is provided by TAM public transport to connect passengers to the Place de France stop. This stop is served by tramway line 1, which takes passengers to the city centre.

For the [trains timetable, please check here](#).

For the timetable of bus 26, and for the shuttle connecting Montpellier Sud de France station, please check [the tram & bus timetables](#).

Should you have any questions related to the content of the training or administrative/practical issues, please contact the EURL at eurl-insects-mites@anses.fr or by phone: + 33 (0)4 67 02 25 87.

Yours sincerely,

Philippe Reynaud, EURL Director

PRIVACY STATEMENT Purpose and scope of personal data processing. The EURL will record and further process your personal data to the extent that they are necessary for the follow-up of the meeting to which you are invited. Your data are recorded and stored as long as follow-up actions are needed in the context of the meeting. During the meeting, your contact details may be shared with other participants in the same meeting to facilitate follow-up between participants. A shortlist, specifying your name, title and organisation may be communicated in the minutes of the meeting, made available to the public. Should you require further information concerning the processing of your personal data, please contact the organiser of this meeting.
